Non-melanoma skin cancer - dermatologist's point of view

###### **Ilana Doweck (Haifa) 20 min.**

Novel non-surgical treatment for non-melanoma skin cancer

##### **10:30 – 11:00 Coffee break**

###### **Zuzana Horáková (Olomouc) 20 min.**

Risk of metastases of cutaneous squamous cell carcinoma

###### **Cezare Piazza (Brescia) 20 min.**

Indication to parotidectomy and neck dissection in non-melanoma skin cancers of the head and neck

**Patrik Štefanička (Bratislava) 20 min.**

Risk factors for regional lymph node metastasis in cutaneous HNSCC

**MINI ROUND TABLE: Decision making in the treatment of non melanoma skin cancer**

Ivana Krajsová (Praha), Milan Vošmík (Hradec Králové), Ilana Doweck (Haifa), Patrik Štefanička (Bratislava)

**12:15 – 13:45 Lunch**

**13:45 HPV IN HEAD AND NECK TUMORS**

**Cesare Piazza (Brescia) 20 min.**

Non-head and neck unknown primary: diagnosis and management

**Jan Laco (Hradec Králové) 20 min.**

HPV in head and neck cancers - pathologist's point of view

**Ruth Tachezy (Praha) 20 min.**

Markers of HPV infection

**Alaa Elfeky (Cairo) 20 min.**

Implications of HPV in Oropharyngeal Carcinoma

**15:15 – 15:40 Coffee break**

**Luca Calabrese (Milano) 20 min.**

Is there a role for major surgery in oropharyngeal neoplasms today?

**Milan Vošmík (Hradec Králové) 20 min.**

Radiotherapy for HPV-related oropharyngeal cancer - data from recent clinical trials

**Dietmar Thurnher (Graz) 20 min.**

HPV positive tumors and the microbiome

**MINI ROUND TABLE: How does HPV status affect our decision making**

Miloslav Pála (Praha), Dietmar Thurnher (Graz), Markéta Pospíšková (Zlín), Michal Zábrodský (Praha), Luca Calabrese (Milano)
